

## **Integrated Management Systems (IMS) Internal Auditor training (2 days)**

### **Introduction**

Management systems, based on ISO Standards, enable organizations to formalize, optimize and continually improve the way activities are carried out. From the early days of Quality management system (ISO 9001), many of the organizations are moving on to establish systems for managing the Environmental Impacts (ISO 14001) and Occupational Health & Safety risks (OHSAS 18001). When this happens, it makes sense to seriously look at integrating the various management systems to derive its benefits

This course is designed to provide an in-depth understanding of the benefits, issues and pitfalls from integrating the management systems and of auditing an Integrated Management System (IMS).

### **Course objectives**

- To provide an in-depth understanding of
  - the concept of “Integrated Management System”
  - Planning, Establishing and maintaining an EMS
  - Internal auditing of IMS

### **Course contents**

- What is a management system?
- PDCA & Various Management Models
- Why to integrate & Benefits
- Common / Unique features
- How to set up an Integrated Management System (IMS)
- Common pitfalls & how to avoid them
- Strategies for successful implementation
- Integrated audits – preparation, conduct, reporting and closure

### **Who should attend?**

- Personnel responsible for developing, implementing and maintaining Quality, Environmental and OH&S management systems
- Personnel wishing to be trained on internal auditing
- Existing Auditors (To add-on to the Qualification for different standards)

**Note:** As this course is designed to discuss the concept of integration of systems, it is expected, that, the participants already have a basic understanding and awareness about ISO 9001, ISO 14001 and OHSAS 18001 Standards

### **Award of Certificate**

Certificate of Attendance will be issued to participants who have attended at least 75% of the course.

### **Course Dates ( 2 Day / 9:00 am – 5:00 pm )**

Refer to SQI website

**Course Fees**

S\$ 420 (For SQI Member), S\$ 460 (For Non-Member)  
GST is not applicable. Price is inclusive of two tea breaks.

Course fee is subject to change without prior notice

**Training Venue**

Training will be conducted in SQI , 66 Tannery Lane #06-07, Sindo Bldg, S347805
